

XHA1/G1 Housing

Canon Imaging for the Discerning Professional

Like its bigger XL H1 cousin the **Gates XHA1/G1 Housing** is designed for the discriminating diver. Legendary Canon optics paired with Gates reliability return underwater images of unmatched caliber. Iris, focus, white balance, custom key and custom preset controls, adjustable handle grips, optional EM43 high resolution color monitor and Gates premium ports are available in this feature-rich design.

The XHA1/G1 is also classically Gates: tough, 'bulletproof' construction, reliable fingertip mechanical controls and a two year *renewable* warranty. Reliability, durability, dependability – the Gates hallmark for over 38 years. Don't take a chance...Take a *Gates!*

Key Features

Durable, "Bulletproof" machined aluminum, black type III 'hard' anodize finish, and sealed with a nickel-acetate process.

Reliable Fingertip Controls are 100% Mechanical -- no sticky buttons, faulty electronics or dead batteries!

External Color Monitor With the EM43 hi-res monitor, HD framing and focus are easy. (Optional)

Adjustable Handle Grips let you find the perfect position for comfort and control.

WHITE BALANCE

Advanced Controls such as manual focus, iris and white balance, custom keys and custom presets are standard.

2-Year Warranty. Only Gates offers a 2-year renewable warranty on all housings.

Travel lighter By leaving the ballast weight behind. A standard 4lb/1.8kg scuba weight can be used at your dive destination.

Internal Flip Filter provides quick, effortless use of the color correction filter. Blue or Green water versions available.

Interchangeable Ports for easy switch amongst Standard, Macro, and Super Wide Angle.

Quality Optics means clarity, sharpness and no vignetting (cutoff dark corners) to spoil your images.
