

CX560 Housing

Underwater HD Video Escort

The **Gates CX560 housing** is the latest in the Gates family of easy underwater HD video housings. With a full 12 megapixel sensor, the CX560 captures superb HD video and still images, too. The camera LCD is your big, built-in viewfinder, and Gates Precision ports provide clarity previously unavailable in a compact system. Fingertip mechanical control of all key camera functions is readily available in this 'bulletproof' world traveler.

Gates legendary reliability is inherent in this tiny traveler, ready to capture your finest undersea images 24/365. Reliability, durability, dependability – the Gates hallmark for over 40 years. *Compatible models: Sony HDR-CX560*

Key Features

Durable, "Bulletproof" machined aluminum, black type III 'hard' anodize finish, and sealed with a nickel-acetate process.

Reliable Fingertip Controls are 100% mechanical -- no sticky buttons, faulty electronics or dead batteries!

LCD Window is your big, built-in viewfinder with wide viewing angles.

Precision Ports mean clarity, sharpness and no vignetting (cutoff dark corners) to spoil your images – critical for HD.

2-Year Warranty. Only Gates offers a 2-year renewable warranty on all housings.

Accommodates all Camcorder Battery Sizes up to NP-FV100 for maximum shooting between re-charges.

- * Machined Aluminum w/ Type III 'hard' anodize & Nickel Acetate Seal. Stainless steel hardware.

* Weight

- * Dry: 7.5 lbs / 3.4 kg
- * In Water: slightly negative

* Depth Rating

- * 450 feet / 137 meters

* Batteries

- * Accepts all batteries up to NP-FV100

CX560 Housing (2)

Port Options

Standard Port SP32A
This 1:1 port is optically corrected for underwater use.

Flat Port FP32A
Good for macro work, the Flat Port allows full zoom through and use of diopters.

Wide Angle Port GP32A
A Gates workhorse. Optical polycarbonate dome is field replaceable. Typical field of view is 70-80 degrees.

Light Options

VL-8 LED

A Sub Aqua Imaging design, the VL-8 LED lights are Gates tough. A wide, even beam burns for 75 minutes @ full power / 2000 lumens and 2.5 hours @ ½ power / 1000 lumens. Tungsten and Daylight colors available.

Accessories

Gates Pole II, Tripod Mount, Microphone, Water Alarm, and more.
