

## EM50 External Monitor

### Widescreen Color for Sharp Imaging

The Gates **EM50** has a 5.0" / 125mm diagonal color LCD for top-housing-mounted assist with framing and focus – even in bright sunlight. Features like edge peaking aid critical focus, and a rechargeable lithium ion battery provides more than 6 hours run time. The electronics compartment is completely sealed for added reliability.

Of course, the EM50 comes with Gates 2 year renewable warranty and 'bulletproof' construction. Reliable, durable, dependable – the Gates hallmark since 1969.
